

Sensor Hub (SH-2) (SH-2+I)

Uptime Devices' Sensor Hub is a compact environmental and security monitoring network device. Sensor Hub detects threats before they can cause a disaster by delivering real time data and alarm notifications. The browser based interface delivers real-time environmental and security data and graphs.

Note: SH-2 comes with one temperature sensor. (SATS)
SH-2+I is comes with combo temperature and humidity sensor. (SATHI)

Features

- 2 auto-sense intelligent sensor ports
- Browser based interface
- Graphs
- Password Protection
- Alerts: E-mail and SNMP traps
- MIB file
- Supports SNMP Polling
- 4 user defined alarm thresholds
- OU rack mountable

Benefits

- Environmental and security monitoring
- Preemptive notifications and environmental alarms
- Maximize component life
- Optimize cooling efficiency to decrease energy costs
- E-mail event notification and SNMP traps for defined system events

Specifications

Power Requirements:

- Input 120 VAC, 60 Hz (or per country)
- Output 9 VDC, 500 mA, unregulated

Dimensions: [w x D x H, in. (mm)]

- 4.75 x 2.5 x 1.625 (120.7 x 63.5 x 41.3)

Weight: [oz. (g)] 7 (198)

Mounting:

- 0 U, Wall Mount or Desk Top

Ambient Operating Environment: °F (°C)

- 32 to 158 (0 to 70); 10-95% RH non-condensing

Communications:

- Network Interface Modem, RJ45 10/100 Base-T connector, HTTP (Web), E- mail, SNMP 9600 baud Numeric

Agency Listings: FCC Class A, CE

Instructions: Includes CD with user manual and quickstart tools

Ports

Temperature: [°F (°C)] -22 to 248 (-30 to 120)

Humidity: 0 to 100% RH

Contact Closure: Normally Open / Normally Closed

Water Sensor: Normally Open / Normally Closed

Voltage Sensor: 115V/230 V

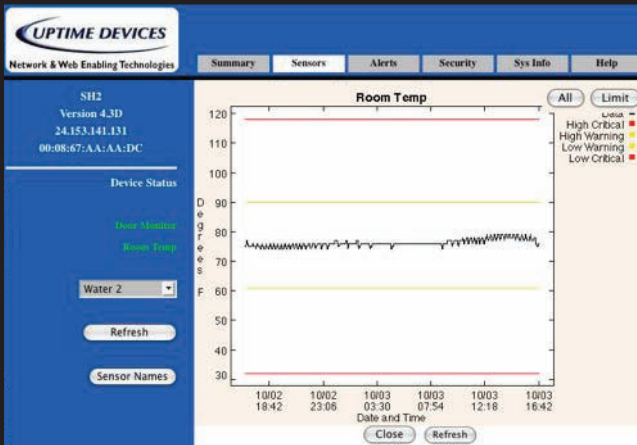

Sensor Hub (SH-2) (SH-2+I)

Applications

- Full password protection
- Graphing capability
- 0 U of rack space required
- Automatic sensing

Four user-defined thresholds for each sensor

- High critical
- High warning
- Low warning
- Low critical

Port	Type	Name	Value	Status
1	Security	Door Monitor	Closed	Normal
2	Temperature	Room Temp	76 F	Normal
